

PILOT®
FINE WRITING
COLLECTION

FINE WRITING COLLECTION

Established in the United States in 1972, Pilot Corporation of America is recognized as a premier manufacturer of quality writing instruments. The parent company, Pilot Corporation, is the oldest and largest writing instrument manufacturer in Asia. It is headquartered in Tokyo, Japan, where it was founded in 1918. Pilot's growth has been driven by the consistent development of highly innovative products that deliver unsurpassed quality and an exceptional writing experience.

Pilot's Fine Writing Collection has been created in a culture that has revered the art of writing for over a thousand years. These exceptional writing instruments embody the essence of art, design, and quality craftsmanship. With unrivaled levels of beauty and imagination, Pilot Fine Writing instruments have secured their place as the preferred choice among pen enthusiasts and collectors.

Pilot's spirit of innovation has always focused on serving consumers' unmet writing needs, making writing a pleasure with exceptionally designed, smooth writing pens. In a digital age where we have gained immediacy but lost intimacy, Pilot's Fine Writing Collection helps you express yourself effortlessly and beautifully through the power of the written word.

GIVE THE GIFT OF PILOT FINE WRITING

Each Pilot Fine Writing instrument arrives packaged in an elegant keepsake box, perfect for presenting as a gift to respected colleagues, treasured friends, and loved ones. Each gift box contains an accompanying Use and Care Guide and Product Registration Form. Known for quality that lasts and superior writing performance, you can feel confident selecting Pilot Fine Writing Instruments for all your gift-giving needs.

STERLING SILVER

Hand-wrought sterling silver featuring beautifully etched traditional Japanese designs lend elegance and grace to the Sterling Collection. The distinctive style of these fountain pens is complemented by an 18-karat gold rhodium-plated nib in fine, medium or broad point sizes. This collection is also available in a matching rolling ball gel ink pen. All are packaged in a rich black gift box with polishing cloth.

CUSTOM 74

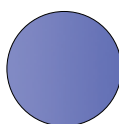

Designed to be a fountain pen in its most honest and pure form, the Custom 74 lets your personal expression in writing shine. A special mechanism in the converter ensures a fluid and continuous flow of ink with no skipping for a premium writing experience. Conservative embellishments and demonstrator-style barrel make the Custom 74 a collector's favorite.

CUSTOM HERITAGE 92

Let inspiration and the joys of writing encompass your awareness. The Custom Heritage 92 is crafted with an intuitive piston filling system so that refilling your fountain pen is effortless and simple. The vibrancy of your favorite Pilot/Namiki fountain pen ink shines through the demonstrator-style barrel with elegant rhodium furnishings.

Justus 95

A combination of classic styling and truly modern innovation unlike any other. Equipped with a 14-karat gold dual performance nib that can be adjusted for a writing experience that is soft, hard or somewhere in between. Available in fine or medium points with 14-karat gold plated accents and resin barrel, the Justus 95 creates its own unique combination of beauty and versatility.

Gently twist the dial to adjust the nib for your ideal writing style.

CUSTOM 823

A smoky amber barrel with gold furnishing lends a distinguished sophistication to the demonstrator-style barrel of Custom 823. A large capacity ink reservoir fills through a unique vacuum plunger system, keeping your pen ready to write longer with fewer interruptions to refill. Available with an expertly crafted 14-karat gold nib in fine, medium and broad point sizes.

The unique vacuum plunger mechanism makes refilling effortless.

Falcon

The Falcon's most extraordinary feature is its semi-flexible, "hooded" 14-karat gold nib that gently yields to the user's writing pressure and angle. The resin barrel Falcon with gold accents features a 14-karat gold nib in fine, medium or broad point sizes. The metal barrel Falcon with rhodium accents features a rhodium-plated 14-karat gold nib in extra fine, fine, medium or broad point sizes.

VANISHING POINT

Brilliant design and ingenious technology are reborn in the refined, elegant style of Vanishing Point. The exceptional craftsmanship of the fountain pen barrel contains a mechanism of rare precision which allows the 18-karat gold nib to retract into the barrel when not in use. Vanishing Point is refillable with a cartridge or a converter. The perfect combination of luxury and technology.

50TH ANNIVERSARY

LIMITED EDITION

To commemorate the 50th anniversary of Vanishing Point (also known as Capless), Pilot is proud to present a special limited edition pen. With only 900 pieces available worldwide and 300 released in the United States, the 50th Anniversary Vanishing Point is certain to be a prized possession and a treasured collector's item for many years to come.

With the same 18-karat gold retractable nib that has made the Vanishing Point a favorite among fountain pen enthusiasts for decades, the 50th Anniversary Vanishing Point also features a maple wood barrel accented with gold furnishings. No two pens are exactly the same due to beautiful natural variations in the wood, which is varnished with a micro-thin resin coating, adding a beautiful lustrous sheen.

Each pen is available with an 18-karat gold medium point fountain nib, and elegantly presented in a matching maple wood keepsake box. Vanishing Point is filled by cartridge or converter.

The epitome of timelessness, quality and performance. A unique patented double-twist mechanism retracts the entire tip of the pen to create a clean, polished look and protect clothes and the interior of bags from unintentional marking. Each Ageless pen arrives beautifully packaged in a gloss white cylindrical tube for an outstanding display or presentation as a gift. Available in ball point and gel roller. Refillable for continued use.

Bottled Ink

Premium quality fountain pen ink created using the highest standards for eye-catching variations of color. Each beautifully designed ink bottle is made from hand blown glass and features an angled etched bottom which allows pens to use virtually every drop of ink. Each ink name derives from expressions of beautiful Japanese natural landscapes and plants, all of which contribute to the depth of an individual hue.
